This is the 3<sup>rd</sup> year in which we have held and organised our village horse and dog show In aid of local charities and organisations. This year as I'm sure you have already noticed, we have changed the name of our show to "The Haselbury Plucknett Countryside Day" There is of course a reason for this! We have made the decision to add a new main ring, Running throughout the day with main ring displays, and activities entertaining for the whole family.

We also hope to see the attendance of more stands to our already popular trade stand area. All of whom once again make the show a more enjoyable experience.

We still pride ourselves on being a village Show which really cares about the competitors entering, and we want every single person who attends to feel that most importantly they've had fun.

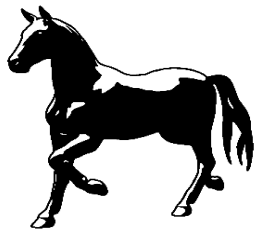

Without the support from competitors and members of the public the show would be unable to take place.

This leads on to me mentioning that without the support from all the volunteers, family / friends / Sponsors and the Baker family for use of their land. the show would not be possible. The effort and organization which goes on behind the scenes is incredible and invaluable. To which I am extremely grateful.

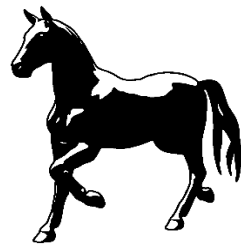

Myself and the committee would also like to thank the judges, stewards, first aiders, the vet on call, and all who help on the day.

I Look forward to welcoming you on the day.

Chad Osborne (Committee Chairman)
